

Implant #7 with Crown

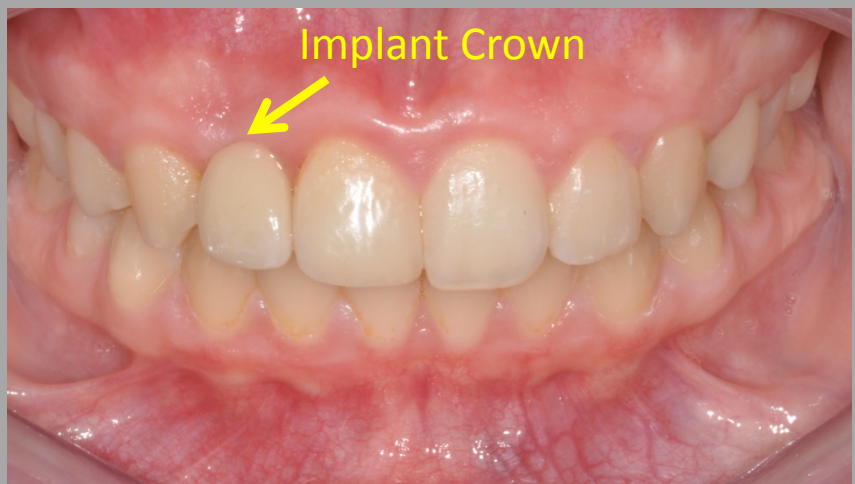

Background: KB was born without tooth #7. As a result, she required an implant to provide the best long term replacement option.

At Presentation #7 & #10

Implant Treatment was initiated while still in braces

Final Implant Crown #7

Testimonial: ““I finally have my tooth! There was a lot of time spent by Dr. Kubikian, getting things to be just right! Thanks so much.”
KB - Ocean City, NJ
